Bozeman United Methodist Church is a diverse community of Christians who affirm that all persons are made in the image of God, and thus all persons have a sacred worth and dignity. We range across the political spectrum, and we welcome people of all ages, races, sexual orientations, gender identities, family configurations, economic standing, and mental and physical abilities.

We are called by God to experience, celebrate, and share through our actions the love of God that comes to us in Jesus.

**We follow John Wesley's 3 Simple Rules:
"Do no harm, do good, stay in love with God."**
